

Package Name	Stimulation drug type	Company- Gonadotropins	Drugs	Total Stimulation days	Recombinant FSH - Drug Dosage per day (max)	HMG - Drug Dosage per day (max)	Antagonist (5 days)	Package Inclusions	Package Exclusions	Price
N-1	HMG (Indian)	Bharat Serum/Serum Institute	Humog (excl HP), Persinal, Menotas(excl HP)	9-10	-	300 IU	Antagonist(Indian)	1) Stimulation drugs as per package 2) Antagonist as per package		140,000
N-2	Recombinant FSH (Imported) + HMG (Indian)	MSD/Merck/Bharat Serum/ Serum Institute/INTAS Biosimilar	Recagon, Gonal F, Humog (excl HP), Persinal, Menotas (excl HP)	9-10	225 IU	75 IU	Any	3) Luteal support for Rs 5000 4) Blastocyst culture		190,000
N-3	Recombinant FSH (Indian) + HMG (Indian)	Bharat Serum/INTAS Biosimilar	Folisurge, Persinal, Humog (excl HP), Foligraf, Menotas (excl HP)	9-10	225 IU	75 IU	Antagonist(Indian)	5) Consumables, OPU needle, ET catheter 6) 1st B HCG Pathology test	1) Freezing charges 2) Embryoscope charges	180,000
PCO	Recombinant FSH(Imported/Indian), HMG (Indian)	MSD/Merck/INTAS Biosimilar/Bharat Serum/Serum Institute	Recagon, Gonal F, Humog (excl HP), Persinal, Folisurge	9-10	200 IU	-	Any	7) Anesthetist charges 8) Includes consultation (post signing up for the package)	3) Any value added services 4) Non-IVF drugs/medications including antibiotics	170,000
P-1	HMG (Indian)	Bharat Serum/Serum Institute	Humog (excl HP), Persinal, Menotas(excl HP)	9-10	-	450 IU	Antagonist(Indian)	9) Includes follicular scans done during IVF package 10) Includes HCG trigger		159,000
P-2	Recombinant FSH (Imported) + HMG (Indian)	MSD/Merck/Bharat Serum/ Serum Institute	Recagon, Gonal F, Humog (excl HP), Persinal	9-10	300 IU	150 IU	Any	11) Includes semen freezing charges (excl storage charges beyond 6 months)		225,000
FET	Not included	n/a	n/a	n/a	n/a	n/a	n/a	1) Thawing of frozen embryos (upto 2 cryotops) 2) Transfer 3) Includes luteal support	1) Freezing charges 2) Addn cryotops thawed (in excess of 2) 3) Any Non-IVF drugs, HRT to be prescribed to outside pharmacy	45,000
OD-N1	HMG (Indian)	Bharat Serum/Serum Institute	Humog (excl HP), Persinal	9-10	-	300 IU	Asporelix/Cetrolix	1) Stimulation drugs as per package for donor 2) Antagonist as per package for donor 3) Luteal support upto Rs 5000 for donor 4) Blastocyst culture 5) Consumables, OPU needle, ET catheter 6) 1st B HCG Pathology test 7)Anesthetist charges 8) Includes consultation for patient (post signing up of the package)	1) Freezing charges 2) Embryoscope charges 3) Any value added services 4) Non-IVF drugs/medications including antibiotics	212,000
OD-N3	Recombinant FSH (Indian) + HMG (Indian)	Bharat Serum/INTAS Biosimilar	Folisurge, Persinal, Humog (excl HP), Foligraf	9-10	225 IU	75 IU	Asporelix/Cetrolix	9) Includes follicular scans on donor done during stimulation 10) Includes HCG trigger for donor 11) Includes Lab tests for donor (max 10k) 12) Includes donor recruiter + donor charges (max 38k)		265,000
IUI-1	CC	Bharat Serum/Serum Institute	CC	5	-	n/a	n/a	1) Includes CC 2) Includes stimulation drugs (HMG) as per package 3) Includes Trigger (Ovitrelle 250 MCG) 4) Includes Luteal support (Hucog 2000 IU) 5) Includes semen wash and preparation	1) Does not include follicular monitoring scans 2) Does not include donor sperm charges	10,000
IUI-2	CC, HMG (Indian)	Bharat Serum/Serum Institute	Humog (excl HP), Persinal	5	-	75 IU	n/a			12,500
IUI-3	CC, HMG (Indian)	Bharat Serum/Serum Institute	Humog (excl HP), Persinal	5	-	150 IU	n/a			15,000
IUI-4	Not included (Natural cycle)	Not included (Natural cycle)	without drugs	n/a	n/a	n/a	n/a	1) Natural cycle IUI 2) Includes semen wash and preparation	1) Does not include stimulation drugs (HMG) 2) Does not include follicular monitoring scans	8,000
ED-N1(S)	HMG (Indian)	Bharat Serum/Serum Institute	Humog - shared package	9-10	-	300 IU	Asporelix/Cetrolix	(S) package is to be used when donor is shared between 2 or more recipients or from surplus embryos from ED donors. 1) Stimulation drugs as per package for donor 2) Antagonist as per package for donor 3) Luteal support upto Rs 5000 for donor 4) Blastocyst culture 5) Consumables, OPU needle, ET catheter 6) 1st B HCG Pathology test 7)Anesthetist charges 8) Includes consultation for patient (post signing up of the package) 9) Includes follicular scans on donor done during stimulation 10) Includes HCG trigger for donor 11) Includes Lab tests for donor (max 10k) 12) Includes donor recruiter + donor charges (max 38k) 13) Includes donor sperm charges of 5k	1) Freezing charges 2) Embryoscope charges 3) Any value added services 4) Non-IVF drugs/medications including antibiotics	99,000
ED-N1(E)	HMG (Indian)	Bharat Serum/Serum Institute	Humog - exclusive package	9-10	-	300 IU	Asporelix/Cetrolix			196,000
All Freeze	Not included	n/a	n/a	n/a	n/a	n/a	n/a	1) Includes first transfer post taking up All Freeze package 2) Progynova (luteal support) included	1) Does not include Freezing charges 2) 2nd or subsequenttransfer of frozen embryos in All Freeze is charged as FET	22,000
Freezing	Not included	n/a	n/a	n/a	n/a	n/a	n/a	1) Includes upto 2 cryotops. Addn cryotops to be charged separately	1) Addn cryotops 2) Storage charges	20,000
AFC-IVF	Not included (stimulation done by AFC)	Not included (stimulation done by AFC)	No stimulation (AFC package)	n/a	n/a	n/a	n/a	1) Consumables, OPU needle, ET catheter 2) 1st B HCG Pathology test 3) Anesthetist charges 4) Includes consultation (post signing up for the package) 5) Includes follicular scans done during IVF package	1) Stimulation drugs 2) Antagonist 3) Luteal support 4) HCG trigger 5) Blastocyst culture	100,000
OD-N2	Recombinant FSH(Imported) + HMG (Indian)	MSD/Merck/Bharat Serum/Serum Institute	Gonal F, Humog	9-10	0	0	Asporelix/Cetrolix	As is for OD N-2	As is for OD N-2	
N-2/1	Recombinant FSH (Imported)	MSD/Merck	Gonal F	9-10	300 IU	0	Asporelix	As is for N-2	As is for N-2	
N-2/2	Recombinant FSH (Imported)	MSD/Merck	Gonal F	9-10	300 IU	0	Cetrotide/Orgalutran	As is for N-2	As is for N-2	
N-1 Menogon	Recombinant FSH (Imported)	Ferring	Menogon	9-10	300 IU	0	Antagonist(Indian)	As is for N-1	As is for N-1	158,000
N-2 RFSH + Menogon	Recombinant FSH (Imported)	Ferring	Menogon	9-10	225 IU + 75 IU Menogon	0	Asporelix/Cetrolix	As is for N-2	As is for N-2	247,500
N-2 Menogon	Recombinant FSH (Imported)	Ferring	Menogon	9-10	300 IU	0	Asporelix/Cetrolix	As is for N-2	As is for N-2	247,500
Long Protocol	Recombinant FSH (Imported)	Ferring	Menogon	10-11	300 IU	0	No Antagonist	As is for N-1	As is for N-1	162,500
N-2 Persinal	HMG (Indian)	Serum Institute	Gonal F/ Recagon, Persinal	9-10	150 IU	225 IU	Any	As is for N-2	As is for N-2	

** Embryo pooling package will be charged as sum of individual packages (based on stimulation protocol). FET will not be charged separately. Freezing to be charged separately

*** Donor sperm charges of 5k additional
